The Catechesis of the Good Shepherd is a Montessori-based method of spiritual formation for children, ages 3-12. Within a specially prepared space for children called an atrium, this approach invites both children and adults to encounter Christ in Scripture and liturgy.

Using a format that is both retreat-like and informative, this Level II course provides the theological and pedagogical foundations for work with **6 - 9 year old children**. Level II training builds on the foundation of Level I formation. It is only offered to catechists who have already been formed in CGS at level I.
