Affectivity Notes

What does mission mean for the Church?

Jesus is Father's emissary
He sent others...apostles.
Apostle (apostoloi in Greek) = to be sent
envoy

I want to be sent!
deep attraction to mission, to
being sent, eagerness
I want it to be God's initiative
not mine.
I am tired when it is my
initiative.
Sadness because I know I say
no sometimes.

Apostles continued Jesus' mission

The apostles were fruitful
because it was Christ's
mission, not their own.
Gratitude for apostles, faith
tradition.

Those who receive the apostles receive Jesus

Sense of responsibility to
communicate Jesus and not
my self.
Awareness of pride, insecurity
that makes me share myself
instead of Jesus.

The apostles knew they were emissaries

I want to experience being sent
by Jesus.
Need to spend time in prayer
listening.
Desire for prayer.
