A BRIEF HISTORY OF THE SAPP FAMILY IN THE EARLY DANVILLE COMMUNITY 1805-1905

by Francis Sapp

[In this issue and the next of the Bulletin we will conclude, for the present, our notice of the early history of Danville St. Luke parish by presenting the history of the Sapp family as completed by Francis Sapp in 1905. (We hope to present further early data on the parish some time next year.) The History by Francis Sapp was transcribed, annotated, and printed by Rev. Homer Blubaugh in 1966 and copies were made available to anyone concerned about early Knox County history. It is hoped that the present publication will reach an even wider audience. The original manuscript is in the possession of Society member Martha Grassbaugh.

[Father Blubaugh gives the following account of the author. "Francis Sapp was born in 1839 near Danville. He married Mary A. Carney and lived for some time in Zanesville before returning to Knox County around 1880. He bought land in the midst of 'Sapp's Settlement,' immediately southwest of St. Luke's Cemetery, where he settled down to farming. After gathering information from friends and relatives he spent the years 1898 to 1905 reworking his material and putting it in its final form." He died on February 4, 1918 and his wife Mary Ann died in March 1921; they are buried in St. Luke Cemetery. We had hoped to locate a photograph of Mr. Sapp for use in this issue, but have not been able to find any of his descendants, who might have one. His children were Emma Cecilia (Mrs. Edward Burns) of Toledo, Mary Frances (Sister M. Hildegarde, O.P.), Isabel (Mrs. Stephen Lamy Blubaugh) of Akron, Charles R., William E., and Anna Alena.

[The piety of Mr. Sapp shines forth through his own words in his History. In this month of special prayers for the departed, as he prayed so often for others, "May his soul rest in peace."]

It is an evident fact that the younger generation knows very little in regard to their ancestors and perhaps I am the only one that will endeavor to leave any statement whereby they can trace back to their forefathers. In a very early day there was two brothers came from Holand to Allegheny County, Maryland. One of these brothers is my Great Grand Father, George Sapp, the father of the first four boys I have mentioned; Daniel, George, Joseph, and

William and I am under the impression that there is another brother, if so I will look after him and give account of him further along.

Daniel Sapp had a dozen children, of whom Hon. Wm. R. Sapp, S. W. Sapp, Dr. Enoch Sapp, and Dr. Silas Sapp have been widely known. Mrs. Warils of Brown Township and Mrs. Stover of Mt. Gilead: others are not known. NOTE- I failed to mention John Sapp, the fifth son of Daniel Sapp. I will refer to him later on.

St. Luke's Parish was organized about the year 1814 and was attended for some years by a Dominican Priest, Father Young of Kentucky and afterwards of Somerset, Ohio.

J. A. Sapp was the first white child born in Union Township and he was the first one baptized in the Co. of Knox. The parish had increased so much so that it was necessary to have a church and it was about the year 1820 that the first Catholic church was built. George Sapp, who emigrated from Allegheny Co., Md. in 1805, gave the lot for the church and cemetery.

Father O'Leary was appointed to attend the mission and he visited it regularly once a month. Father Allerman, also a Dominican, succeeded him in 1834 and attended the mission and in 1838 the first priest was stationed at St. Luke's in the person of Father Lama [Lamy], afterwards Archbishop of Santa Fe. Father Lama was so good that everybody loved him. I was a very young boy when he was pastor here, but had such a high opinion of him. I thought that God would not let him die, but take him to Heaven a live body and soul. Father Lama was called away from here in 1847. It was Father Lama that built St. Luke's Frame church in 1840 or 1841. Also he baptized me and called me Francis Sapp in 1839. I have sat upon his knees many times. May he rest in peace.

Father Boulger was the next resident pastor of St. Luke's. He came here in October 1847 and remained here until September 1851. He was a good priest and a fine speaker. He is dead at this time. May his soul rest in peace.

Rev. Father Julius Brent was the next pastor. He came here in 1851 and for 23 years he was the pastor of St. Luke's and St. Vincent de Paul's, Mt. Vernon. His sisters kept house for him; Emma at Danville and Fanie at Mt. Vernon. Emma continued in charge of his house until her death in April 1873. Emma was my godmother. May her soul rest in peace. After Emma's death Father Brent became resident pastor of St. Vincent de Paul's, Mt. Vernon. He died suddenly in 1880. May his soul rest in peace.

Father Moitrier was appointed in 1876 to take charge of the parish and ruled it for over 12 years. He built a very nice church, also priest's residence. Father McDermott succeeded him and is our present pastor.

The second boy is named George Sapp, my Grand Father. He married Catherine Arnold, daughter of Archable Arnold of Md. and emigrated to this county in the year 1805 with his wife and three children in sacks on horseback with their mother. The remainder of the family were born at what was known as the George Sapp homestead near St. Luke's old church. Grand Father was formerly a protestant and became a Catholic in some years, and perhaps about the time Father Lama came here.

Rev. Father Lama was the first priest I ever knew and he it was that made the conversion of Grand Father Sapp, for which I think him the most lovely priest I ever knew. He also baptized me and had it not been for him, we, in all probability, would be outside the pale of the Catholic Church. May God have mercy on his soul and Grand Parents.

Great credit is due Grand Father and Grand Mother Sapp. Had it not been for them emigrating to or near Danville and also running the risk of losing their lives at a time when the country was interly new and not one white person nearer than three miles. Indians, bear, panther, and wolves were as plentiful as ever they were. I have heard Grand Father talk of the hard and troublesome time of that early day, and yet he was protected by God for the begining of a St. Luke's Parish and Church, otherwise it might never have been. He donated the land for the church and cemetry and helped to build two or three churches on the same. He raised a large family of two boys and eight girls and a noble family they were and have all passed away except one.

My Grand Father, George Sapp, has frequently told me when I was yet a boy about his hunting bear. He has, while hunting, come across an old bear and her young cubs and he would run towards them and hallow and all the noise possible and by so doing the cubs would run up a tree and the mother bear would run away for some distance and then Grand Father would shoot the cubs and then would have some good meat. At one particular time Grand Father and a friendly Indian went out to watch a deerlick on a bright moonlight night and on the way to the lick they made an agreement to not talk any after They arrived at the Lick. And also each one would climb separte trees an the west side of the lick so that They would have the lick between Them and the moon, when it came up, in order that they would have full view of the Lick and surroundings. They were up in the trees waiting patiently when to their surprise they heard something climbing a tree over the Lick and could not tell what it was until the moon gave suficient light for Them to Discover what it might be and it proved to be a panther perched upon a limb waiting for Mr. Deer. They all three kept quiet and it was not long untill they heard and seen the Deer, but as soon as the Deer came to the Lick the Panther leaped upon Him and killed him quickly and then the Indian shot the Panther and made the remark to Grand Father that was the way to watch a Deerlick.

Grand Father had to undergo a great many hardships that younger generations know very little about. Just think for a moment a Family moving out in a woods without provision of any kind except perhaps a little corn and that had to be eaten in the way of hominy or pound it upon a Hominy Block untill it was fine a nuff to make Johnny Cake and madeup with water only; perhaps without any Salt as they had to go to Zanesville on Horseback after a bushel of Salt and there being no road, just merely a path, it made Traveling slow and when Grand Father had to leave Home after any of the necessarys. Of course it was a natural consequence that Grand Mother and the little family would be left alone, alone in the wild woods of Knox County.

I have always had a great Respect and love for Grand Parents and I have never forgot them and hope I never will. I remember those early settlers in my Prayers and there is scarcely a day passes that I do not offer up some Prayer for my Parents and Grand Parents as I well know there is many Grand Children that never think of saying a Prayer for the repose of their souls. May God have Mercy on their Souls. May they rest in peace.

Grand Father was a soldier in the war of eighteen and twelve and received a land warrant for one hundred and sixty acres of land. He sold or traded His right away when I was young. The early Settlers were at war continually with the Wolves. They were a pest, so much so that the county paid one fifty for wolves or the killing of them. Grand Father received Bounty frequently for killing them. Also I see from History where he was elected "Justice of the Peace" in the year 1809 and re-elected in 1812 and also in ninth Term of Common Pleas.

Jan. 1st, 1811 George Sapp was appointed Administrator of George Sapp senior dec.; Daniel Sapp and John Greer securities. I have heretofore said that my Great Grand Father name was George Sapp and the above Statement goes a good ways towards proving my assertion to be correct. I have other evidence in reference to Him. My father, J. A. Sapp, has told me that His Grand Father name was George. Also Basil Critchfield has told me the same, consequently My Great Grand Father was George Sapp senior, and my Grand Father was George Sapp of whom I have said emigrated from Md. in 1805.

My Father was J. A. Sapp and My Mother was Mary (Durbin) Sapp and now it is necessary that I should give my name, it being a very familiar one, Francis Sapp, and my wife name being Mary Ann (Carney) Sapp, two most Beautiful names. It is necessary that I should give the names of the George Sapp family. I have heretofore said that he had ten children, two boys and eight girls. The boys were Levi and Jonathan A. Sapp. For short it is written J. A. Sapp. The Girls were, as I knew them, Peggie, Delila, Liddie, Rachel, Betsy, Martha, Fanny, and Ann.

Levi married Mary Colopy and raised a family of ten children, six Boys and four Girls. The boys were William, George, Dr. Leo, Dr. John, Osten, Dr. J. B., and Solomon Sapp. The last named Boy is the fourth Boy. The Girls are Saryann, Lousinda, Martha, and Manda.

William had one Son, a lawyer, Dwite Sapp of Mt. Vernon. George Jr. one boy, Julius, and six Girls. Dr. Leo had one Girl and she died young. Solomon had one Boy and two Girls. Dr. John, Osten, and J. B. have no children. Saryann married James Bradfield and raised a large Family. Lousinda married John Durbin and had a large Family. Martha married Leroy Hunt and has no children. Manda married Wernett and has a small Family.

Levi Died at the age of 72 and his wife Mary Sapp Died aged 86. Of his six sons mentioned above, three of them reside in Cleveland and have no children. George has one Son, William one son, Solomon one son. Levi and Mary, the father and mother of the above Family, are lying in St. Luke's Cemetery near by the Old Church, also by the side of George and Catherine, the father and mother of Levi and Mary.

I have mentioned J. A. Sapp as a second son, a brother of Levi. George Sapp, my Grand Father, being the father of the two Boys, of whom I have previously spoken of, and also said that He Emigrated from Allegheny Co., Md. in 1805 and to Union Township in 1808 and lived there the remainder of His life. I well remember the day when He died. George Sapp died Nov. 27, 1862, aged 85 years, 7 months. Catherine Sapp, wife of George Sapp, Died June 15, 1852, aged 74 years, 3 mo., 7 days. May they rest in peace.

J. A. Sapp was the first child born by Catherine Sapp after they emigrated to their new home. I say that He was the first white child born in Union Township up to that date and My Grand Parents named him J. A. Sapp after Jonathan A. Arnold.

J. A. Sapp was borned in an early day and at a time when there was not any Cradles for rocking Babys. Consequently He had a bresh heap for his resting place. He always was a resident of Knox Co. He married Mary Durbin of Allegheny Co. Md., daughter of Eliza Durbin, and had eleven children, of whom I will give their names: Simeon of Taylor Co. Iowa, Catherine and Francis and Susan Died young. William is next in order, then Francis. They named me after my brother that died when little. He is a bright angel in Heven. Edmund Sapp Died at the age of 23. Saryann Died very young, angel in Heaven; Susanna, John B., and Timothy.

Simeon Sapp of Taylor Co. Iowa married Susan Willis and Had six Children, Two Boys and four Girls. the two youngest became Sisters at the Academy in Conception, Mosouri. The other two Girls are in Iowa. Eugene Sapp lives in Taylor Co. Iowa, he being the youngest son of Simeon. Romanis was in Seeattle, Washington Territory, and got married there some 2 years ago and the last account I had of Him was in Spokine. Simeon Sapp is sixty years of age.

William married Olive R. Ebersole of Fostoria, Seneca Co., mooved to Michigan and died there at the age of thirty four. He left three children, two Boys and one Girl. They mooved to Pine Grove, Iowa. The names of the Boys is Albertis J. Sapp and Orro Sapp or something like that. I forgot the Girl's name.

Francis Sapp married Mary A. Carney of Fostoria and has six children, four Girls and two boys. Emma Cecilia married Edward Burns of Toledo, Ohio. Mary Franses became a Dominican nun at St. Mary of the Springs, Colombus, Ohio. She is known as Sister M. Hildegarde. She has been teaching school at Stewvenille, Ohio, for the past three years. Isabel married Lama Blubaugh and is on a farm near Jeloway, Ohio. Charles Raymond, William Edward, and Anna Alena is at home with Father and Mother on the Farm known as the J. A. Sapp Homestead.

I have to give account of the three youngest Children of J. A. Sapp. Susan married Frank Durbin and went to Taylor Co. Iowa and had a large Family. John B. Sapp married Matilda Larbarger and had five children. This union was a very unhappy one. John took his five children to Taylor Co. Iowa, leaving his wife in Danville, where she went that evening. Timothy Sapp married Rachel Blubaugh and has a little family, one Boy and probily a girl or two. They are in Butler Co. Kansas. Now I have finished the J. A. Sapp family.

J. A. Sapp was borned July 25, 1809 and died Feb. 4, 1886, aged 77 years. May he rest in peace. Mary Sapp, wife of J. A. Sapp, was borned March 15, 1811, and died Jan. 6, 1888, age 77 years. They are buried nearest old church on the west.

Remember that I said that four brothers emigrated from Allegheny Co. Md. to Danville; Daniel Sapp, George Sapp, Joseph Sapp and William. I also was under the impreshion that there was another Brother. So there was another brother, his name being John Sapp. He located Himself on the Ohio River, I

believe not far from Stewvenille. He raised a family, but I cannot give any history of them so I will proceed with Joseph Sapp. He also had a small Family and mooved to Illinois and I am unable to give any further account of them.

William Sapp lived in the little village of Danville and Died at a good old age. He married and has two or three boys by his first wife. I can only name two Reason Sapp and Lemi or Lemon Sapp. The fruit of this last marriage was four boys and three girls, Adline, Franklin, Jefferson, and Mary, Napoleon and Ulusis and Minty Sapp.

I will give a little account of Reason Sapp. He went to Michigan and became a preacher. I do not know anything of his Family except one boy and I will describe him as marrying the daughter of Governor So and So of Seeatle, Washington. Franklin went to Merser Co. Ohio and had 5 children. Jefferson had one boy and one or two girls. They left Mt. Vernon and went to Cincinnati about two years after the death of Jefferson. Mary married Matt Trussell and had four children, two Boys and two Girls. Napoleon married and had some family, three boys and three girls at Mt. Vernon. Ulissus was a solger and died in Liby Prison. Minty married Daniel Campbell.

You will bear in mind that I said on first page [missing from the manuscript for many years] that a Cousin, Adam Sapp, who came here in about eighteen Hundred and 20, was a Cousin. I believe that he was a first Cousin to the first four boys mentioned. He mooved to Brown Township and raised a family of four boys and one girl is all I knew. Their names were Lewis, Levi, better known as little Levi Sapp, Charley Sapp and Nelson. The father of these boys was a very large man of wonderful nerve, but a very peaceful man. Lewis went to Indiana and only had a couple of Children and I hear that they are all dead. Levi Sapp also went to Indiana. I believe that he had about a half dozen Children. I think he married a daughter of old Elius Arnold. Charley Sapp married a daughter of John Porter and raised his family at Gambier. I cannot remember them.

Nelson married Uncle Dave Porter's daughter of from what I can learn only had one boy and I think he is dead. Nelson was a large man and one of the stoutest and best men of the country. He would fight whenever called on, yet he was not quarlsom. He moved to Illinois and served the Country as a solger during the Civil War and was in the battle of Bull Run and had to run. Some years after He came home from the War he went to the Silver Mining Country of the far west and engaged himself in hunting of all kinds of game for the miners and is there yet to this day, unless he died in the last couple of years. He is now getting old, perhaps someplace in 70. Lizabeth, His sister, married Bur Dial and mooved away from here, of whom I cannot give any account of.

Remember Adam and The Cousin spoken of as Kentucky George Sapp were brothers and came from Kentucky and were descendants of My Great Grand Father's Brother that I have previously spoken of as going to one southern State. Adam and Kentucky George lived in Brown Township. I never knew but one Boy and that was Hartly. There were others. Jim lived near Mt. Vernon. I think there was a John and a George of the four boys. I will not say much about them. George was a Baptist Preacher and lived in Kentucky. Hartly married My Father's Sister, Rachel, and raised a large Family. James Sapp of

Mt. Vernon was the first child. Martha Jane died four years after she married Bur Dial. Then he married another Sapp girl, as I have told you on another page. Fannie married Ed Carpenter and have one son. He is in the Mt. Vernon Flowering Mills and is a nice fellow.

Ed Carpenter was a soldier and died in the Civil War. And Fanna married Charles Durbin. Mary Ann is the third child. I should have mentioned her before Fanna, but it makes very little difference. She married a man by the name of Brewer and is lying in St. Luke's Cemetery. Catherine is by her side.

William is in Mt. Vernon. He married Hat Bailly of Brink Haven and had one son, a smart and well educated Boy. Here comes another George Sapp - the Sapps were stuck on that name sure. Well, he married a Hess and have six Boys and three Girls and lives north of Brink Haven.

Clement Sapp is married and has three children, and now I remember that there is another Girl besides the youngest. Elizabeth married Frank Blubaugh and Janet lives in Kansas. Clarra married a Shaw and lives in Mt. Vernon. In giving the History of Hartly Sapp I have to give his wife. She is one of my Grand Father's Daughters. Now I will give account of the other Girls.

George Sapp and Catherine, the first Emigrants to the vicinity of Danville, just one mile west and on a beautiful spot and near by one of the most beautiful springs God has caused its waters to flow for the benefit of their use and others, is where my Grand Parents picked out for the little log hut. Grand Mother went to a certain spot and said to Grand Father, "George, right here we will build our cabin and live and die." And so She did, but not until God had blessed them with a large family. I have always said a noble family, I will say one of the most remarkable Families that has ever been raised in this vicinity. They were kind and agreeable together, truly brothers and sisters.

Now it is my intention to give all the necessary information in reference to those girls of whom I said there were Eight. I have already made mention of Rachel Sapp on a previous page, so I will give the name Peggie. I suppose this is a nickname to Margaret, let it be as it may be. She married David Horton of Yankee Ridge and after raising a little family moved to Illinois. I can only name two of them, Levi and Esri.

Delila married Jacob Colopy. Of this union They raised five sons and three Daughters: Jonathan A. Colopy, Edward Colopy, and Timothy Colopy and a girl. I think her name was Sary Colopy and the two died when in the prime of their life. The next is Joseph and Levi Colopy and Delila and Matilda Colopy. Jonathan married a Daughter of James Berry. Of this union they had three Children and the Mother died after coming in the Church and left a husband and three children to mourn their loss. She was one of the very finest of Girls, a good fine wife and a lovely Mother. It was truly a sad affair to lose such a companion as her. After some years Jonathan married a Mrs. Hanigan. She was formerly a Berry and a first cousin to Jonathan's first wife. She too was a very fine Girl, a good wife and affectionate mother.

Joseph Colopy married Mary Jane Durbin. Of this union they raised one Girl and Joseph lost his wife. She was also a nice Girl, a good wife. And Joseph, in after years, married Lide Porter and had one son.

Levi married Melissa Durbin and had two or three children and they died while little. They have no heirs at all. Levi Colopy is a number one man in every respect and has a good wife. She is a sister to Joseph's first wife. Two Brothers married two sisters.

I have just now observed that I have skipped Edward Colopy. He comes in before Joseph. Edward moved His Family of about a half dozen children to Kansas. I think it was a bad move for him. He lost one girl and finally he died. Delila Colopy married John R. Banbury and had one girl (Nettie). They live on Mohicken. Matilda married Gus Gum and lives in Kansas. I do not know how much of a family they have. This is all of the Colopy family.
