The Vicariate of Catholic Social Doctrine is working to animate Mental Health Ministry throughout the Diocese of Columbus. Mental Health Ministry is a growing field within the Catholic Church. It's designed to provide vital spiritual accompaniment by offering a ministry of presence for people who struggle with their mental wellness. To help overcome the stigma and discrimination that people living with a mental illness encounter in the Church and in human society.

A Mental Health Advisory Group, comprised of Catholic mental health professionals and clergy is working to establish priorities and make connections that support our families, clergy, parishes, and schools. One of our first priorities has been to build a directory of local, trusted, Catholic Mental Health professionals and resources for those who need help. This directory is also available and will be frequently updated on the Diocesan website. We are working to emphasize mental health professionals who align with the Church's teachings on anthropology and morality, ensuring a holistic approach that respects the dignity of the person and the role of faith.

For more information or to suggest additions and updates to the Directory, please contact:

A spiritual community of Christ's faithful for the pursuit and promotion of the virtue of chastity. Men and women are enrolled in order to receive assistance from God in the chaste life, under the patronage of St. Thomas Aquinas & the Blessed Virgin Mary. Each member of the AWC wears either the cord or the medal of St. Thomas, and says daily prayers to receive the special graces that the Lord pours out through the Confraternity. The Confraternity is an apostolate of the Order of Preachers (Dominicans), and is directed by the friars of the Order. It has existed in various forms from the 15th century, and was officially established in 1727 by Pope Benedict XIII.

Integrity Restored

<https://integrityrestored.com/>

Helps restore the integrity of individuals, spouses, and families that have been affected by pornography and pornography addiction. Integrity Restored provides education, training, encouragement, and resources to break free from pornography, heal relationships, and to assist parents in preventing and responding to pornography exposure which is so devastating in the lives of our children. We are also a resource that trains and helps clergy in assisting families at the parish level, so that the domestic church truly becomes what it is, the human space in which we encounter Christ.

Magdala Ministries

<https://www.magdalaministries.org>

A place of honesty, hope, and healing for women of faith struggling with sexual addiction. We know that pornography and other sexual addictions aren't just a "guy problem." The need for women to be accompanied in the journey towards healing from addiction has gone sorely unmet, and that's why we're here.

United States Conference of Catholic Bishops

<https://www.usccb.org/pureheart>

Gives those who struggle with pornography hope that freedom from its grip is possible. It proclaims anew the abundant mercy and healing of God found in Jesus Christ and encourages all Catholics to work toward a culture of purity that upholds the dignity of every person and the sacredness of human sexuality.

Encourage

<https://couragec.org/encourage/>

EnCourage is an apostolate which provides pastoral care for families and friends of people who experience same-sex attractions and/or gender discordance. In many cases, their loved ones have adopted the LGBTQ label and may have moved away from actively practicing their faith. Monthly EnCourage meetings include Evening Prayer, prayers specifically from EnCourage, reading the “Five Goals of EnCourage,” agreeing to a statement of confidentiality, and a short reflection by the chaplain. The heart of the meeting is the voluntary sharing by members.
